

## [Toyota Camry](#)

Dependability, quality and reliability are Toyota's stock and trade, and there's no better example of this than the company's midsize Camry.

## [Honda Civic](#)

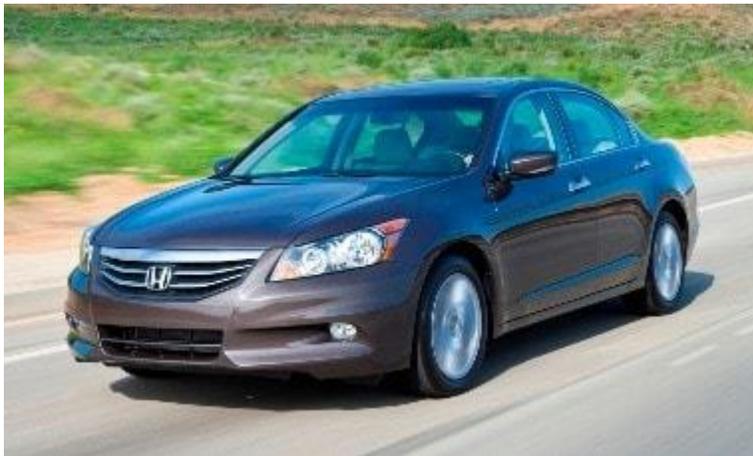

When people think of compact cars, they think Civic. Offering the sort of room, features and performance of cars the next class up, the Honda Civic has a sterling reputation for low operating costs and trouble-free operation.

## [Toyota Avalon](#)

The Camry's big brother delivers the same high retained value and low operating costs while offering a more spacious cabin and larger trunk.

### [Honda Accord](#)

Like the Camry, this is a car that has set the gold standard in the midsize segment. Comfortable, easy to drive and trouble-free, the Honda Accord is a perennial list topper when it comes to shopping for a new or used car.

### [Toyota Prius](#)

If fuel economy is a priority, there's no better pick than the Toyota Prius, which is synonymous with hybrid. The remarkable thing about Toyota's Hybrid Synergy Drive is that it delivers the same high fuel economy in both city and highway settings. The Prius has also earned a reputation for being long lived, so there's plenty of life left for a car that costs less than \$10,000.

### [Mazda Mazda3](#)

Offered in two body styles, the Mazda3 has the ability to serve as a more formal sedan or really useful hatchback. Both offer the same fun-to-drive handling that differentiates Mazdas from all the rest, and represents a good bargain to boot.

### [Toyota Corolla](#)

Like the Civic, the Toyota Corolla comes to mind when one talks compact cars. One of the longest running nameplates on the market, it has earned its reputation for quality, low-cost operation and affordability many times over. They seem to live forever.

### Subaru Outback

Versatility is what the Subaru Outback is all about. All-wheel-drive all-weather capability and the utility of a station wagon combined with just a hint of SUV ruggedness make the Outback the perfect vehicle for outdoorsy types.

### Kia Soul

If you're looking to get funky, the boxy Kia Soul has a lot going for it. Besides not looking much like anything else out there, the Soul also offers the utility of a hatchback and the efficiency of a 4-cylinder economy car.

### [Subaru Legacy](#)

Tired of the SUV craze, but still want the peace of mind that comes with all-wheel drive? Then the Subaru Legacy is your refuge. A smartly styled sedan with the same mechanicals found underneath Subaru's more off-road-oriented products, the Legacy is a terrific way to beat the winter blues without spending a fortune.
